

Pony Plush Care

I am hand sewn, so please don't be too rough with me. My eyes are sculpted with Sculpey clay, painted and sealed with Testors Dullcote.

My eyes have a safety back so they should hold on tight. They will swivel so you can position them however you wish.

My fur is hand wash and air dry only. Please don't put me in the washing machine.

My hair is sewn in so you can brush it however you like, but it is not heat resistant. A flat iron will melt it — even on the low setting.

I am so glad you decided to take me home. Questions? Contact Wynde on Instagram @wyndeboo

Handmade with care
